

## A Message From The Board President

We thank Lynn for her dedicated service and extend our very best wishes and heartfelt blessings to her as she embarks on the new chapter of her life.

We are also excited to announce that Renee C. Cunningham, former associate director, has been unanimously nominated and has accepted the position as Executive Director, effective July 1, 2018.

Ms. Cunningham brings a wealth of professional experience including 17 years at CIP. She has served in leadership positions in every area of the Center, each one building toward her appointment as the Associate Director. Ms. Cunningham is well respected by colleagues, CIP stakeholders and funders, and also enjoys the robust support of CIP staff, volunteers, members and the Board of Directors. The board is thrilled to welcome Renee as the next Executive Director and looks forward to supporting her leadership as the Center enters the next 50 year chapter.

On behalf of the entire Board of Directors please join us in thanking Lynn Fields Harris for her stellar leadership, and join us in welcoming Renee C. Cunningham as the next Executive Director of the Center in the Park.

Sincerely,  
Karen Leslie-Henry  
President, Board of Directors
