JONAH

The Story of Jonah

A faithful, righteous prophet of God...suddenly disobeys and runs away! As a result, he encounters a terrible storm, an enormous fish, a tiny worm, and a mighty wind. "Jonah" is a story of extremes and the greatest revival in history! And how through it all, God reveals His extreme mercy and love - for all. Join us at the Sight & Sound Theatre and enjoy this amazing biblical story brought to life.
